

This is a courtesy reminder from your
Board of Directors

There shall be no overnight on-street parking in
Summer Meadows

Please refer to the CC&R's for further details (Page 20).

*In the near future, initial notices of violation will be
issued and the fine schedule will be followed*

On-street parking is a hazard to neighbors backing out of
their garages on their way to work. It can also be
hazardous to children playing in the neighborhood,
walking to school, etc.

Please help us keep our neighborhood clean and safe.

Thank You!

Your HOA Board of Directors
