

Date: 8/3/2007

The board has chosen new paint colors for the exterior of our homes. We now have 15 schemes from which to choose.

Each scheme consists of 3 colors:

- base coat
- pop-outs
- trim

The colors may be viewed at any Board Meeting. When you are ready to paint file an Architectural Committee Submittal Form with the home office and a member of the ARC will call for an appointment to show you the colors. Paint samples will be left with you that you may give your painter or take to a paint store for color matching.

We will expedite your request ASAP and looking forward to serving your needs
